

## Home Group Notes – Week 20/03/2016

### **Life – Inside-Out**

#### ***Overall Concept***

- Life is found IN Christ alone, through Holy Spirit living in us
- We must not seek life from outside things/ status/ righteousness/ etc
- Our righteousness, peace, joy all come from God's finished work (through Christ), and ongoing work (through Holy Spirit)
- Our sense of worth/ life must be from Christ not idols of status or possessions
- We need to, by faith, affirm that we already have life in Christ through Holy Spirit

#### ***Some Bible References***

- Romans 14

#### ***Study Questions***

- Study Romans 14
- Can you see the "internals" of the passage (that Paul's reasoning comes from Spiritual realities and the Gospel, before he is concerned with outward expressions/actions)?
- In what ways are we judgemental toward other Christians?
- How should compromising for our fellow brother look like?
- Talk about the present expressions of the Kingdom of God – what does the presence of the Kingdom look like?
