God Dreams of Outsiders

Overall Concept

- God seeks out the lost, to bring them into His family
- Often the "self-righteous" think they are in, but they have excluded themselves
- We are to all realise we were lost, and to be grateful for being found
- We are to have God's heart for the lost – all of them!

Some Bible References

- Luke 15:1-32 (lots here! Sheep, coins, Sons)

- Do you remember when you became a Christian, when you realised you were lost?
- How does remembering we were lost affect our view on "Outsiders"?
- Was it new to you that God is first and foremost on mission?
- How are we to have God's heart, rather than the heart of a Pharisee?
- Pray for the harvest!
