Prayer - Wisdom

Overall Concept

- God has promised to give us wisdom when we ask for it
- Direction, guidance, insight, etc, are God's to give, and He wants to give
- The only condition to gaining wisdom is that we trust that God will give it
- God is growing our relationship with Him by making us trust Him
- the "Fear of the Lord" is the beginning of wisdom (relationship with Him, not being scared of Him)

Some Bible References
